

**Dear Colleagues,**

Emergency medicine department of MGM hospital, Warangal is organizing a one day Conference on "Impact of Accident and Emergency Medicine unit in Hospitals" on 3<sup>rd</sup> December 2017.

The conference is being conducted to emphasis on the role of emergency physicians in treating acute and critically ill patients. The highlight of this conference will be time bound management in serious conditions by emergency medicine specialists.

We would like to invite you and your colleagues to attend the conference and make it a grand success.

Sincerely Yours,  
**Dr. Pradhan Kumar,**  
Organizing Secretary.

**Aim of Conference:**

1. To create awareness about role of emergency physicians in society.
2. To understand the importance of time bound management.
3. To improve the treatment of critically ill patients

**Audience:**

All health care Professionals - Medical,  
Dental & Nursing

**Registration fee: Rs. 500/-**

**For registrations contact:**

**Dr. Pradhan Kumar** Mobile no- 9951617196  
**Dr. Asif Iqbal** Mobile no- 8978015293

## About KAKATIYA MEDICAL COLLEGE

The **Kakatiya Medical College** (KMC) is one of the medical schools of Telangana, located in Warangal under the gamut of Kaloji Narayana Rao University of Health Sciences and the Medical Council of India (MCI). Currently it is one of the premier medical institutes of Telangana, taking in 200 students on merit each year through the NEET (National Eligibility cum Entrance Test) held throughout India. The college so far awarded MBBS degrees to 5,600 candidates. Affiliated hospital is Mahatma Gandhi Memorial Hospital, Warangal, a 1200 bedded multispecialty tertiary care teaching hospital and caters to the needs of more than 1 million population in the districts of Warangal, Karimnagar, Khammam and other North Telangana regions. Another Affiliated hospital is Government Maternity Hospital, Hanamkonda. In a report published by the National AIDS Control Organization (NACO), India, the Government Maternity Hospital (GMH), Hanamkonda, was recognized as the only hospital in south India which had successfully handled 1000 HIV/AIDS delivery cases in the last eight years.
